It is easy to cook potatoes with cheese for breakfast. Let me tell you how to make it. First, peel and grate two potatoes. Second, add some cheese on the potatoes and mix them. Then, add two eggs, some salt and black pepper into the mixture. Next, pour some oil in a pan, but don't heat it. After that, pour the mixture into the pan, spread it and fry both sides for 4 minutes. Finally, take it out of the pan and serve hot.

Hello! I'm Jason. In my family, everyone prefers different ways of communicating to celebrate their friends' special days. I usually make phone calls, and my sister sends text messages. My dad always prefers face-to-face communication, so he meets up with his friends on their special days. Mom likes writing letters to her friends. And my grandma! She thinks online communication is the best. She always uses social networking sites to celebrate every special day.
